At the conclusion of the Colloquium you are invited to attend Afternoon Tea

Attendance is free and bookings are not required
but please RSVP to CCREID@mh.org.au or 9342 8896 for catering purposes only

PROGRAMME

Chair: Dr Joe Sasadeusz

Clinical Trials Director, Centre for Clinical Research Excellence in Infectious Diseases (CCREID)

- | | |
|---------|---|
| 10.00am | Morning Tea
Provided in the Foyer |
| 10.30am | Welcome
<i>Professor Graham Brown</i>
Director, Centre for Clinical Research Excellence in Infectious Diseases (CCREID)
James Stewart Professor of Medicine
Head, Department of Medicine (RMH/WH), University of Melbourne |
| 10.40am | <i>Staphylococcus aureus</i>, MRSA and <i>Acinetobacter</i> in the RMH Intensive Care Unit: Prevalence at Discharge
<i>Dr Caroline Marshall</i>
Infectious Diseases Physician, Victorian Infectious Diseases Service, and CCREID Research Fellow, Royal Melbourne Hospital |
| 11.05am | Superantigens in Sepsis
<i>Dr Chris MacIsaac</i>
Intensivist, Intensive Care Unit, Royal Melbourne Hospital, formerly PhD Student CCREID, Department of Medicine (RMH/WH), University of Melbourne |
| 11.30am | HIV in Victoria's African Communities
<i>Dr Chris Lemoh</i>
Infectious Diseases Physician and PhD student CCREID, Department of Medicine (RMH/WH), University of Melbourne |

- 11.55am** **Surveillance of Hepatitis B Virus (HBV) Mutations during Tenofovir (TDF) Treatment in HIV and HBV Co-infected Individuals**
Ms Jennifer Audsley
 HIV/HBV Coinfection Clinical Research Fellow, The Alfred Hospital and CCREID Clinical Research Fellow
- 12.20pm** **Clinical Research at The Macfarlane Burnet Centre for Medical Research**
GUEST SPEAKER—PROFESSOR STEVE WESSELINGH
 Director, Macfarlane Burnet Institute
 Professor of Medicine and Microbiology, Monash University, Melbourne
 Scientific Advisory Committee (SAC), CCREID
- 1.00pm** **LUNCH**
 Provided in the Foyer
- 2.00pm** **Simple Mathematical Models in Melioidosis**
Dr Allen Cheng
 Infectious Diseases Physician, Victorian Infectious Diseases Service, Royal Melbourne Hospital, CCREID Research Fellow, Department of Medicine (RMH/WH) University of Melbourne, and NHMRC Postdoctoral Fellow, and Honorary Senior Research Fellow, Menzies School of Health Research, Charles Darwin University
- 2.25 pm** **Using Mathematical Models of MRSA Transmission to Inform Isolation Strategy**
Dr Emma McBryde
 CCREID Research Fellow, Victorian Infectious Diseases Service, Royal Melbourne Hospital, and Department of Medicine (RMH/WH), University of Melbourne, and supported by Capacity Building Grant for Mathematical Modelling of infectious diseases (NHMRC)
- 2.50pm** **Translating Research into Action-Formative Evaluation of an Antibiotic Decision Support System.**
Dr Tabish Zaidi
 PhD student, Monash University
- 3.15pm** **Discussion/Questions**
- 3.25pm** **SAC Comments**
- 3.35pm** **CLOSE**
 Followed by Afternoon Tea in The Foyer
